

## Profile

---

I am a highly motivated young gentleman with excellent engineering, computer and communication skills. I am also dynamic, innovative and analytical in looking up for better solutions to problems and aspire to be a top notch specialist in the field of engineering, science, technology, mathematics and project management.

## Career Objective

---

I am seeking a challenging position in an innovative and flexible organization that will allow me to use my excellent engineering and organizational skills to their fullest potential by developing my skills and abilities through dedication, hardwork and full commitment to my work with great discipline.

## Education and Academic activities

---

September 21st 2012 – May 31st 2016	BSc Civil Engineering, Kwame Nkrumah University of Science and Technology.
October 14th 2008 – May 16th 2012	WASSCE (Science) St. Augustine's College, Cape Coast.

## Work Experience

---

### November 2018 - present Web Developer

- **Freelance Web Developer.**
- **Client side and server side development.**
- **HTML, CSS, JavaScript, React, Node JS, Express, MongoDB**
- Using HTML, CSS and JavaScript for a website or Web Application so that a user can see and interact with them directly
- Architects and develops websites and applications using web technologies (i.e., HTML, CSS, DOM, and JavaScript), which run on the Open Web Platform or act as compilation input for non-web platform environments (i.e., React Native).
- Designing a site to ensure that when the users open up the site they see the information in a format that is easy to read and relevant.
- 

### Feb 1st 2019 – April 30th 2019 Construction Warehouse Ghana

- **Civil Engineer (3-month contract based Project)**
- Supervision of construction projects (residential building) from foundation to finishing. Supervision of civil contractors as construction progresses.
- Ensuring the construction projects are scheduled and built in accordance with plans and specifications.
- Implementation of design concepts and civil engineering works.

## **Feb 2018 – Feb 2019    NETIS GHANA LIMITED**

- **Project Supervisor / Assistant Project Coordinator.**
- Supervision of the construction of network towers at various sites in Ghana. Oversee operations on a day-to-day basis.
- Coordinating ‘colocations’ of new networks to already existing telecom (Built to Suite) sites.
- Prepare budgets and project reports.
- Ensuring that the workers & sub contactors on site build the project following the technical guidance provided; i.e. ensure that work is done safely, on time and within budget and to the right quality standards.
- Takes responsibility for the whole site. Maintenance of telecommunications infrastructure.
- Monitor progress, oversee delivery of materials and carry out safety checks and sort out any problems which could hold up work as they arise.
- Technical site surveys using Dumpy Level to determine relative height and distance among different locations of a surveying land and Earth Resistance Tester to check for minimum earth resistance, <5 ohms.

## **Sept 2016 – Sept 2017                      Ghana National Cleaner Production Centre (EPA)**

- **Assistant Programs Officer**
- Assisting in biogas training programs; keeping, assessing and editing records of biogas trainees. Also, supervision of biogas trainees.
- Construction of biogas digesters.
- Electronic waste (E-waste) assessment and conformity training.
- Visiting Sustainable Recycling Industries (SRIs), to educate them more on safe e-waste disposal and recycling as well as invite them for training. Aligning these Sustainable Recycling Industries (SRIs) to commence industrial symbiosis.

## **June 2015 – July 2015.                      Ghana Ports and Harbours Authority (GHAPHA), Tema.**

- Port construction works, project management and design, e.g., acquisition of knowledge in structural drawings and all constructional works from building foundation laying to finishing, plumbing, and maintenance. Taking off and Bill of Quantities preparation.
- Training in AutoCAD for the design of minor port construction works for submission and construction. Also design of a typical road cross section using AutoCAD, construction and maintenance of road.

## **Skills**

---

- Have a core foundation of science, technology, engineering and mathematics with a wide scope of engineering practical knowledge.
- Excellent verbal and written communication skills.
- Good Supervisory skills.
- Good leadership and management skills. Good analytical and planning skills.
- Ability to work as part of a team.
- Proficient use of Microsoft Office Package and Web Development Skills (HTML, CSS, JavaScript).
- Highly disciplined, hardworking and opened to new ideas.
- Have the ability to work under pressure with minimum supervision and also the desire to learn diligently to keep abreast with industry changes and management.
- Equipped with the ability to deal with all sorts of people through education and travel.

## **Additional qualifications, Courses and Licenses**

---

<b>July 18th-21st 2017</b>	<b>Sustainable Used Lead Acid Battery (ULAB) Recycling Training, Ghana Cleaner Production (EPA), Comm. 22, Tema</b>
<b>April-June 2017</b>	<b>Project Management Online Course, Polytechnic West, Open Universities Australia, Open2Study.com</b>
<b>May 9th-11th 2017</b>	<b>Electronic-waste Conformity Assessment and Auditing Training, Ghana National Cleaner Production (EPA), Comm. 22, Tema.</b>
<b>November-December 2016</b>	<b>Biogas Training , Environmental Protection Agency, Ghana National Cleaner Production (EPA), Comm. 22, Tema.</b>

## **Interests & Hobbies**

Sports, Web Development (HTML, CSS, JavaScript), Music, Arts, Reading, Social media marketing.

## **Voluntary Service**

July 2014	Kabkork Publications, Comm. 7, Tema (Assistant Editor)
August 2016 – Feb 2018	Tema Comm.7 Basketball Team (Basketball Team Coach)

## **Referees**

**Mr. Alex Abeiku Yeboah.**  
**P. O. BOX AF 132, Adenta, Accra. 0244753153.**  
**Email: [aeilkuyeb@hotmail.com](mailto:aeilkuyeb@hotmail.com)**

**Mr. Daniel Digber**  
**Senior Programs Officer**  
**EPA/Ghana National Cleaner Production Centre. Community 22. P.O.BOX AS 11, Ashaiman. 0501301514.**  
**Email: [daniel.digber@gmail.com](mailto:daniel.digber@gmail.com)**

**Mr. Michael Kwakye**  
**Implementation Manager**  
**NETIS GHANA LIMITED**  
**30 Saint John's Street, Achimota, Accra. 0544338723.**
